Dhivakar V

Aspiring Full-Stack Developer

✉ dhivakarvasu2000@gmail.com   📞 9042313322   📍 Chennai, Tamil Nadu   in dhivakardhiva

Summary

Front-End Developer with 1+ years of experience in **React.js, Vue.js, JavaScript, HTML, and CSS.** Skilled in building responsive UIs, optimizing performance, and integrating APIs. Hands-on experience with Framer, Tailwind CSS, and Python. Passionate about clean code and scalable development. Currently expanding backend skills in **C# and .NET Core.**

SKILLS

- Frontend : HTML5, CSS3, JavaScript, Vue.js, React.js, Redux ,Tailwind, React Native, Bootstrap
- Backend : Python, SQL , C#, .Net Core
- Tools: Git, Framer

WORK EXPERIENCE

UniQin.ai

Software Developer   July 2023 - Jan 2025

- Developed and maintained scalable, high-performance **web applications** using **Vue.js**, **React.js**, **Redux**, **JavaScript**, **HTML5**, **CSS3**, **Bootstrap**, and **Tailwind CSS**.
- Built **responsive** and **dynamic UI components**, enhancing **user experience**, **accessibility** and **cross-browser compatibility**.
- Integrated **RESTful APIs** to enable seamless **front-end** and **back-end** communication, improving application functionality and data flow.
- Optimized **web application performance**, reduced **load times**, and improved **SEO** rankings through best coding practices.
- Designed and deployed a **responsive company website** using **Framer**, focusing on **modern UI/UX principles** and **mobile-first design**.
- Collaborated closely with **cross-functional teams** including **designers**, **product managers**, and **backend developers** to deliver agile, high-quality releases.
- Developed features for an **e-commerce platform** and **user authentication system,** implementing **user onboarding**, **password management**, and **email/WhatsApp integration** workflows.

EDUCATION

Kongu Engineering College

B.E Mechanical Engineering - 8.23   July 2018 - June 2022

PROJECTS

E-commerce Platform

- Developed and optimized a fully functional **E-commerce website, implementing responsive design and user-friendly interfaces** to enhance shopping experiences.
- Implemented a secure payment gateway integration using chargebee and stripe, facilitating seamless transactions while ensuring data protection and compliance with industry standards.
- Tools Used: Vue.js, React.js, HTML, CSS, JavaScript

Sign-Up and Sign-In Flow
- Created a robust authentication system, featuring **sign-up, sign-in, and password reset functionalities to improve user engagement** and security.
- Integrated **WhatsApp API for real-time communication**, enhancing user support and engagement through direct messaging capabilities.
- Tools Used: Vue.js, JavaScript, HTML, CSS, API Integration

CERTIFICATE

Python Full Stack Development
- Learned and applied **Python, Django, React.js, SQL**, and other full-stack technologies.
- Developed **CRUD-based applications**, focusing on clean architecture and best coding practices.
